

Scrap Quilts: Easy, Breezy, Beautiful with Diane Harris

Supplies

Sewing machine in good working order AND THE MANUAL please 😊

Rotary cutting supplies (the classroom has mats for our use)

Neutral colored thread for piecing

Basic sewing supplies: pins, scissors, mechanical pencil, small ruler, etc.

Fabric: Bring scraps and leftovers in all kinds of prints and colors; lights, mediums and darks. They should be at least 2½" x 2½" but bigger is better. If you have time, iron them and keep them flat to save time in class.

We will be using these shapes and sizes for the quilts and you are welcome to precut before class if you like. I'll share lots of ideas in class before we start to sew.

Squares: 2½" x 2½"

Rectangles: 2½" x 4½"

If you have **leftover** Jelly Roll strips (2½" wide by any length) or charm squares (5" x 5") or 10" squares, please bring them.

If you don't yet have a stash of fabrics at home:

Come to class and I'll help you shop for fabrics you love that will work together in a scrappy quilt. I'm bringing lots of scraps and precut patches with me that you can incorporate, too.
